"LEAVING TIME"

Special place for work and play -
And for some to grow up in.

Filled with ideas, words, and dreams.
A lot of living in four years
That could fill many more
Though it's time to go as the years in the past.
Except this will be the last -
Leaving time.

Each will take the same they give and
Rush to get through
But it's only a start even though -
It's leaving time.

Four years have gone into becoming
Someone special
Working together or alone
Living and making friends.

Now your second home
You grow more than your mind.
Remember it with a smile or a tear -
There's no time to fear
Now it's leaving time.

Seasons of life involve each year
And each day brings more time to live -
To be someone else -
To have other worlds.

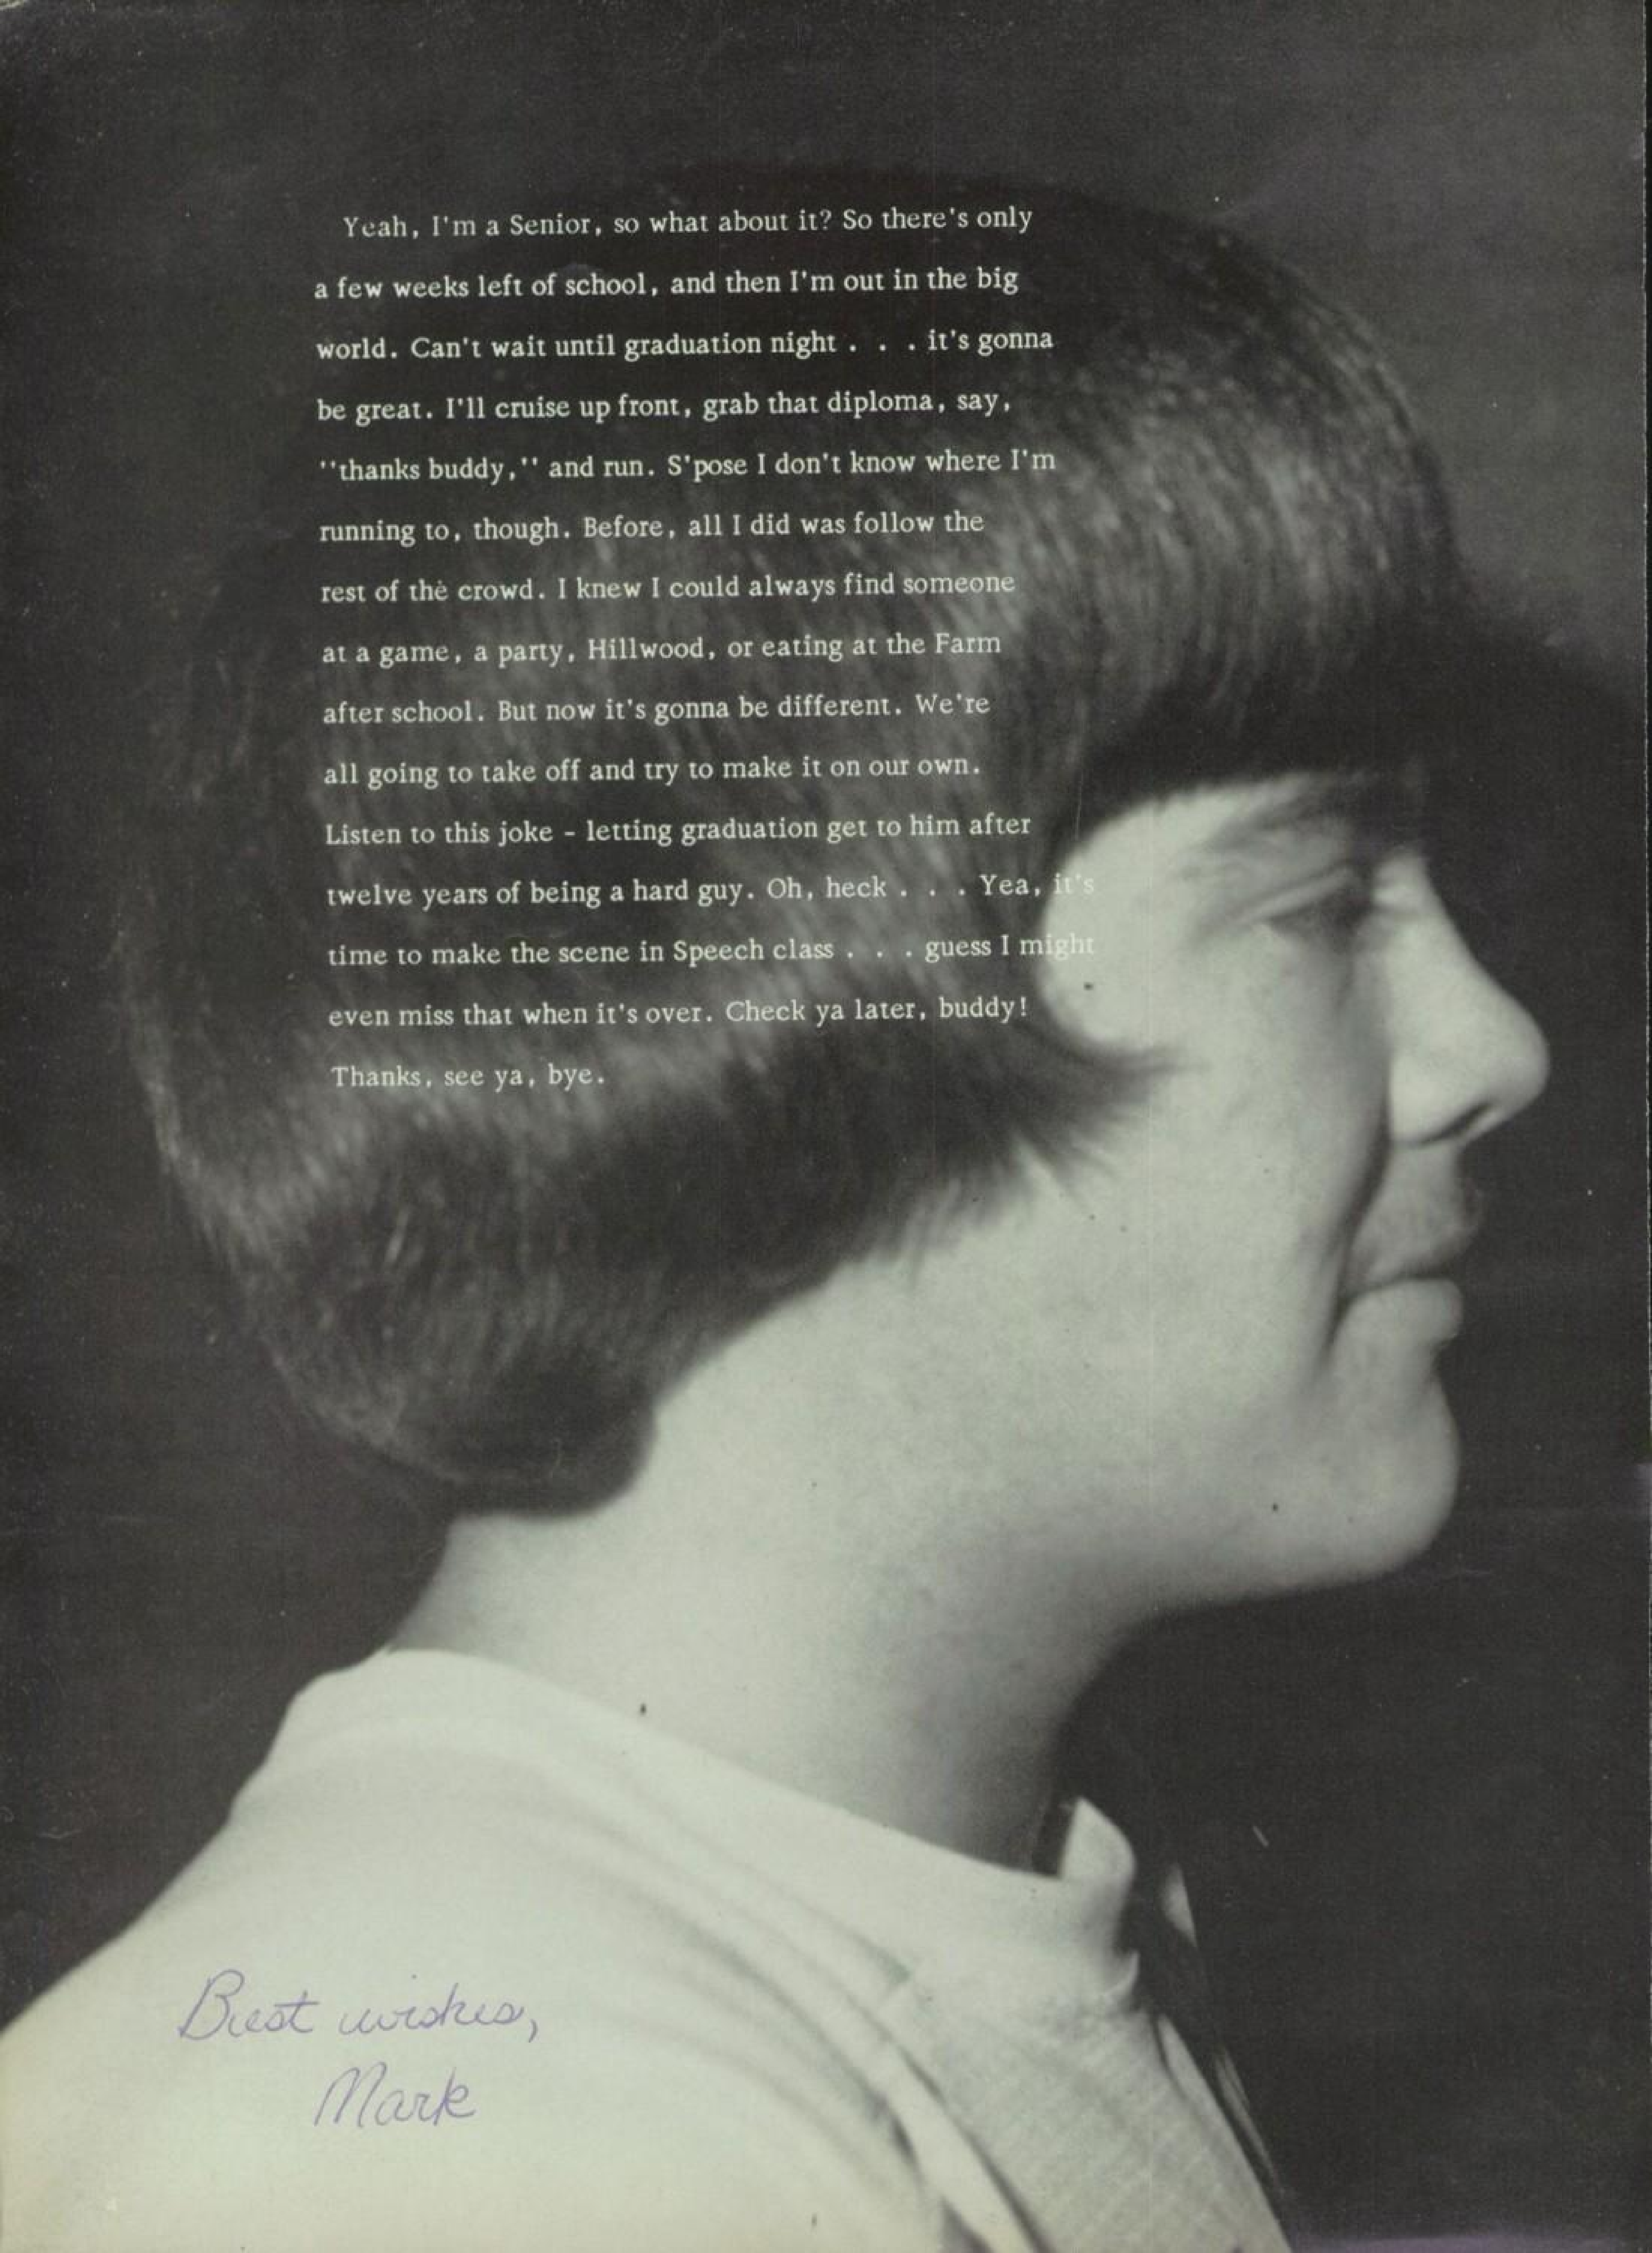

Though you have had your seasons
Your days here are restless,
And now it's leaving time.

Don Green

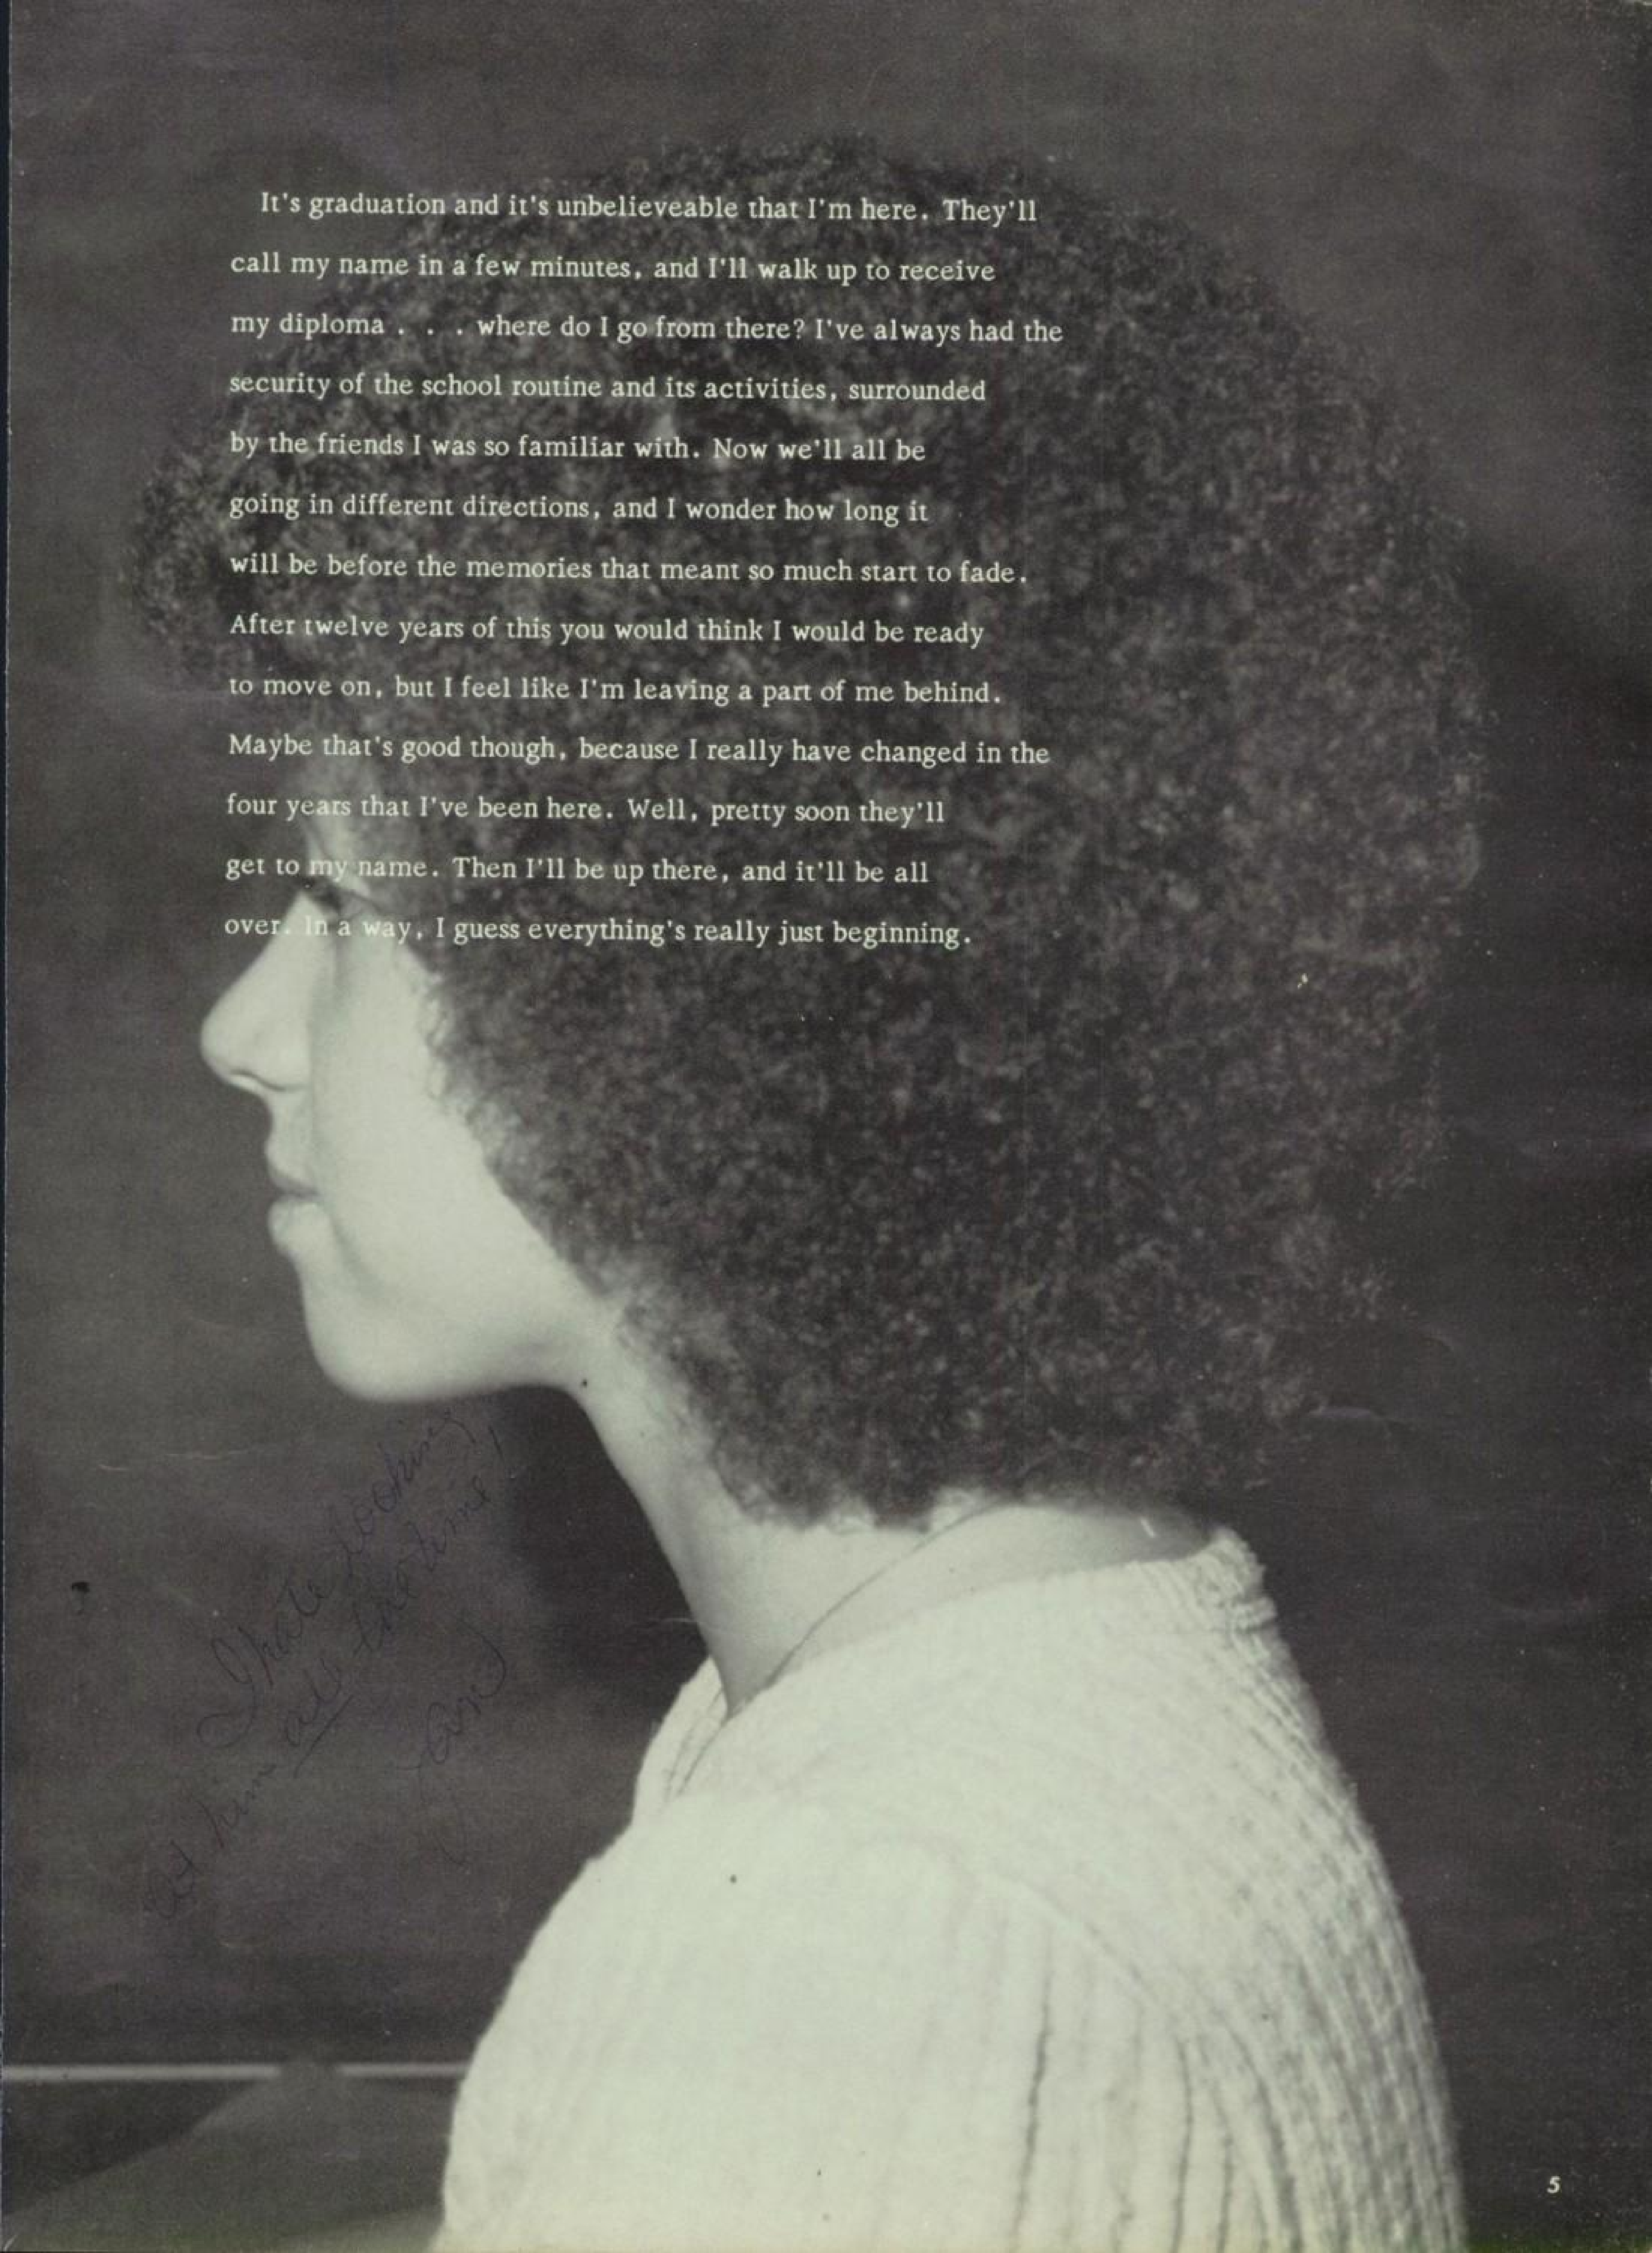

Throughout this book, we, the annual staff of the class of 1976, wish to portray the "Spirit of '76" at Red Boiling Springs High School.

TABLE OF CONTENTS

Yeah, I'm a Senior, so what about it? So there's only a few weeks left of school, and then I'm out in the big world. Can't wait until graduation night . . . it's gonna be great. I'll cruise up front, grab that diploma, say, "thanks buddy," and run. S'pose I don't know where I'm running to, though. Before, all I did was follow the rest of thè crowd. I knew I could always find someone at a game, a party, Hillwood, or eating at the Farm after school. But now it's gonna be different. We're all going to take off and try to make it on our own. Listen to this joke - letting graduation get to him after twelve years of being a hard guy. Oh, heck . . . Yea, it's time to make the scene in Speech class . . . guess I might even miss that when it's over. Check ya later, buddy! Thanks, see ya, bye.

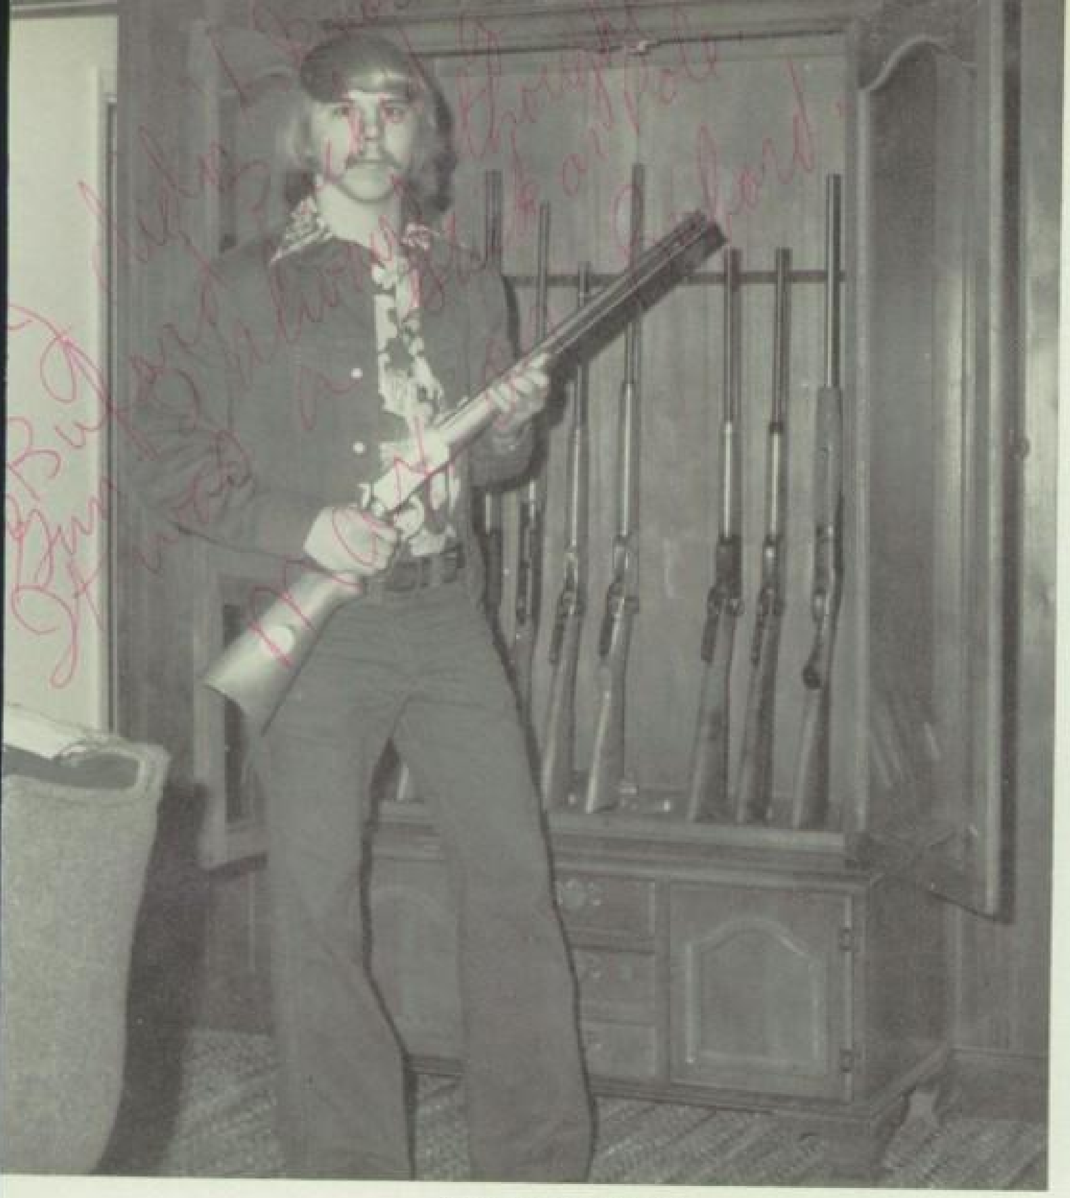

Best wishes,
Mark

It's graduation and it's unbelieveable that I'm here. They'll call my name in a few minutes, and I'll walk up to receive my diploma . . . where do I go from there? I've always had the security of the school routine and its activities, surrounded by the friends I was so familiar with. Now we'll all be going in different directions, and I wonder how long it will be before the memories that meant so much start to fade. After twelve years of this you would think I would be ready to move on, but I feel like I'm leaving a part of me behind. Maybe that's good though, because I really have changed in the four years that I've been here. Well, pretty soon they'll get to my name. Then I'll be up there, and it'll be all over. In a way, I guess everything's really just beginning.

Hog,
Can you believe that 12 years of school are about to suddenly end? It just doesn't seem possible. We've had some good times during the years. I'll carry with me always the memories of those good times and you always remember me. I wish for you the best of luck, success, and happiness that life can offer. Good luck in whatever you do!
A friend forever,
Love ya,
Malinda Mac

Hog,
Well it's almost over for us and I just can't believe it. The 12 years are all behind us now. We had some real great times, but then we had some bad times too. Hog, we haven't been as close this year as we been in the past, but I will never forget you. And I hope you won't forget me either. Hog, you are so cool and far-out so stay that way and you will go far in life.
Love, your friend
Melissa
P.S. Always remember me.

Hog,
I can't believe that we finally made it to our Senior year. So far it's been everything I thought it would be. but the best is yet to come, "the trip." Stay the way you are because you're great. I know I aggravate you a lot. but just remember that it's all in fun. Stay cool and take care.

Love Always,
Joe

Hog:
I can't believe you'll soon be out - I am really going to miss you. You and I have really had some good times - Remember Barb's P.J. party a couple of years ago - Remember riding around Hillwood and remember when Ronnie left - Hog, you are such a good friend - and I hope you never forget me - I sure won't you - I love ya and I am really going to be lost without your big mouth

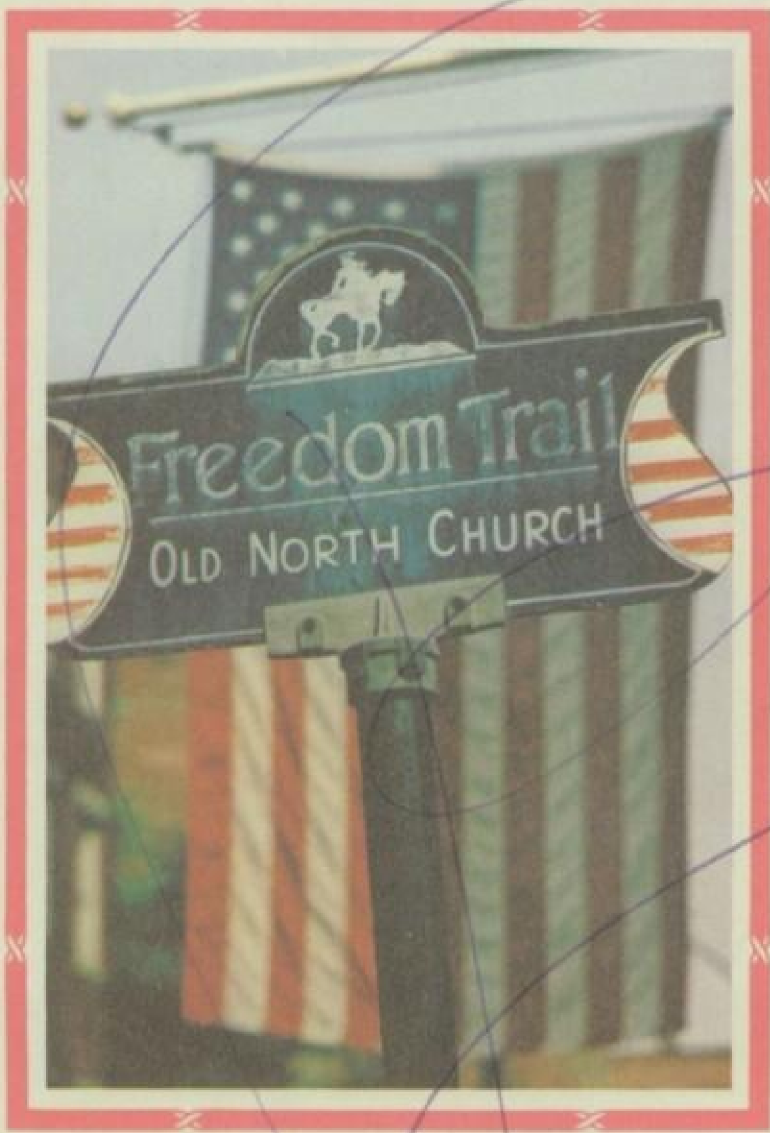

I hope life gives you all you deserve - Mary
God Bless - Love ya, Sherry

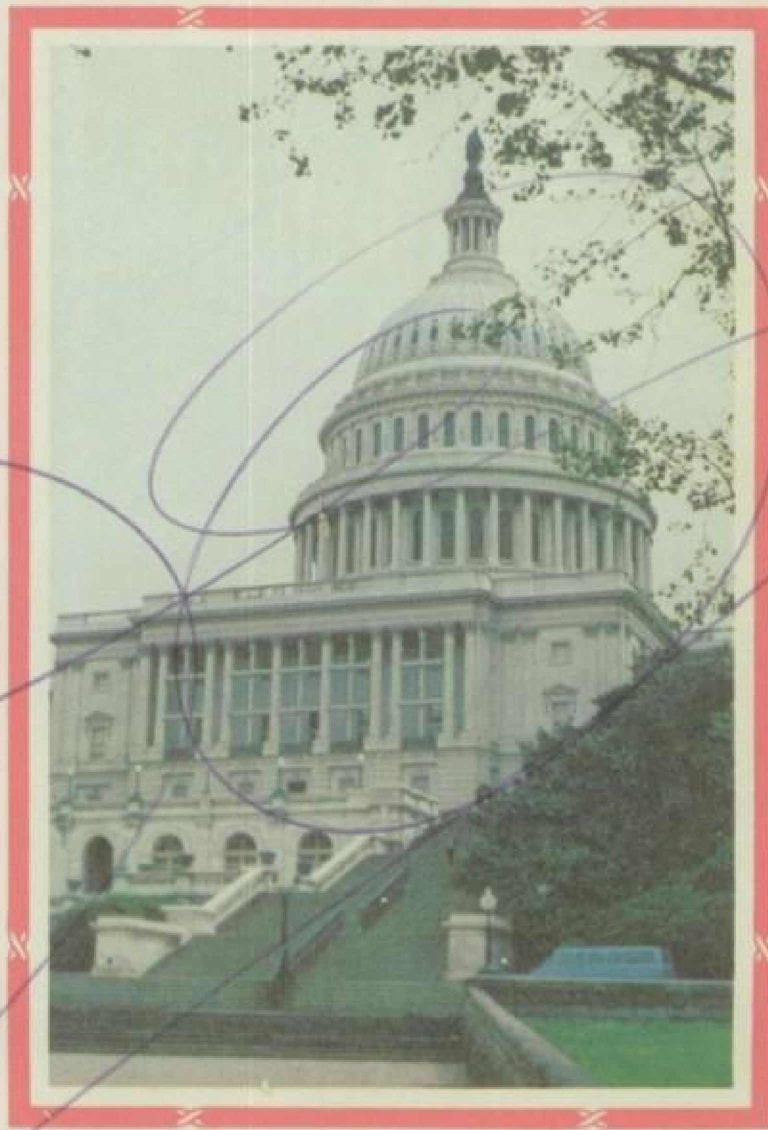

Hog,
We have become closer this year and I am glad, because you are a fun person. You have a great personality that will win you many friends. It's not long until the Senior trip and man, we'll really raise the devil. Hog, after we graduate I will miss you. You are one of my best friends and I will never forget you. I'll never forget our junior year when we would go down town and get something to eat. We never got caught, but we did come close to it some of the time. Just think this is our last year and it doesn't seem as if we have done anything, but the trip is coming up soon and we'll have to get into something. You are a wonderful person just stay the way you are and you will have many more friends in the future. Best of luck in the future. Your friend forever and always, Jada

PS. Take Care and don't drink to much of those soft drinks. Ha Ha R.C's.
